25X1

Upon completion of the three-month school and the three-menth
practical training period, and examination by two or
three men from a severament agency / winknown in Mogilly. They only
obsided ability to drive; the chief medhanic of the MTS asked
questions on parts of the vehicle and traffic regulations. All of
those who began the course passed it successfully and received a
aftiver's license, 3rd class. 25X1 25X1 At the MTS, all the others returned to their respective kolkhogy. 25X1
